

**ERATH COUNTY
ON-SITE SEWAGE FACILITY PROGRAM**

APPLICATION REQUIREMENTS FOR ON-SITE SEWAGE FACILITY PERMITS

SINGLE FAMILY DWELLING, FEE, & ALL OTHER FACILITIES
(Commercial, Multi-Unit, Residential, Developments)

STANDARD SYSTEMS \$250.00

SYSTEMS REQUIRING MAINTENANCE \$450.00

STANDARD (COMMERCIAL) \$550.00

SYSTEMS REQUIRING MAINTENANCE (COMMERCIAL) \$750.00

- Obtain an application from the Erath County Environmental / Sanitation Office.

- A licensed site evaluator must conduct a complete site evaluation.
A detailed report, documenting the results of the soil and site conditions must be submitted.

- Have planning materials prepared by the required individual.
Standard systems may be prepared by the owner or the installer.
Non-standard and proprietary systems must be prepared by a Professional Engineer or Sanitarian.

- Submit completed application and technical information sheet.
Remit the appropriate fee and a copy of the following: Site evaluation results,
All planning materials, a recorded affidavit (if required), a signed maintenance contract (if required)
Directions to the site should also be included.

- The application and planning materials will be reviewed by Erath County.
Non-standard planning materials may be reviewed by TCEQ regional office staff in Ft. Worth

- If approved, and Authorization to Construct will be issued. Problem resolution can take up to 30 days.
The Authorization to Construct is valid for one year from date of issuance.

- The installer must notify the Erath County Inspector at least 5 working days before the date of the Construction inspection.
All excavations must be left open until the inspection has been completed.

- If the installation is approved, a Notice of Approval will be issued to the owner.
Note: A re-inspection fee equal to ½ the permit fee must be paid by the installer for each time the system must be re-inspected.

ALL FEES ARE NON-REFUNDABLE AND MUST BE PAID BY CASH, CHECK, OR MONEY ORDER.

PAYMENTS MUST BE MADE PAYABLE TO ERATH COUNTY
